

**MOBILITY CALL DATED 2<sup>nd</sup> OCTOBER 2024 OF THE CONSORTIUM TRANSFRONTEU FOR INCOMING STAFF (TRAINING AND TEACHING) AT THE CONSORTIUM MEMBER UNIVERSITIES WITHIN THE FRAMEWORK OF THE EUROPEAN PROGRAMME ERASMUS+ KA171 DURING THE ACADEMIC YEAR 2024-2025.**

This call for applications is published within the framework of Regulation (EU) 2021/817 of the European Parliament and of the Council of 20th May 2021, establishing "Erasmus+": the Union Programme for Education, Training, Youth and Sport.

The University of Málaga (hereinafter, UMA), the University of Cádiz (hereinafter, UCA) and the University of Huelva (hereinafter, UHU) have agreed to request the creation of an Erasmus+ Consortium for Higher Education under Key Action 171, as a result of their interest in promoting mobility at the international level. The UMA, as coordinator, has signed the Agreement for the creation and funding of the TransFrontEU Erasmus+ Mobility Consortium with the National Agency of the Spanish Service for the Internationalization of Education on September 5th, 2023.

The TransFrontEU Mobility Consortium, through the project 2023-1-ES01-KA171-HED-000123600, funded by the European Commission, aims to contribute to the development of strategies to improve cross-border relations in the following work areas:

- Globalization/Interculturality
- Sustainable development -including technological transformation-
- Governance among Higher Education Institutions
- Equality/Inclusion

To this end, this Consortium agrees to initiate an administrative procedure for the mobility granting of the staff of the university's members of the Erasmus+ TransFrontEU Consortium.

**I. PURPOSE AND APPLICABLE LEGAL FRAMEWORK**

The purpose of this procedure is to establish the basis for the selection of staff from the universities that are partners of the TransFrontEU consortium who wish to carry out mobility stays during the 2024-2025 academic year or research stays at the Consortium universities (UMA, UCA, UHU) from the Higher Education Institutions detailed in **Annex I** of this call.

Since these are grants funded by the European Union, this procedure will be developed in accordance with the norms established by it, and by the national norms of development or transposition thereof, Spanish Law 38/2003 (November 17th) of General Subsidies, and failing that, by the provisions of the Spanish Law 39/2015 (October 1st) of the Common Administrative Procedure of Public Administrations and the TransFrontEU Grant Agreement signed with the Spanish National Agency for this project, and the rest of the current legislation that is applicable.

In accordance with the common bases of this call, each university member of the Consortium (UMA, UHU and UCA) will manage the selection procedure of its incoming staff, to cover the places offered for its institution. The specific details of these differentiated procedures -required documentation, nomination, provisional lists of candidates and final lists of selected candidates, appeals, submission of documentation before, during and after the mobility stays- are included in the links provided in **Annex II** of this call.

**II. REQUIREMENTS TO PARTICIPATE**

**Interinstitutional Agreements**

Before the mobility begins, an Interinstitutional Agreement between the Consortium universities and partner universities must be signed.

The vacancies available for the academic year 2024/2025 are published in Annex I. The number of available placements may vary depending on the transfer of available places and vacancies in other countries within the same region, as well as the types of mobilities and funding allocated annually for Erasmus+ KA171 TransFrontEU.

All partner institutions will annually announce their own call with their specific selection process for staff.

Mobilities outlined in this call must take place before the 31<sup>st</sup> July 2025.

**Eligibility**

In order to participate in this process, applicants must meet the following requirements by the end of the application submission period:

- All incoming grants during the validity period must align with the Interinstitutional Agreement previously signed with partner institutions and annexes of this call.
- Applicants must have an appropriate level of proficiency in the language of instruction (specific requirements can be found in the Interinstitutional Agreements). Each university will ensure that its candidates meet the language requirements necessary to benefit from the mobility period.

Mobilities and grants will be subject to the regulations and restrictions issued by the authorities regarding the health situation and the continuity of exchange programs. Acceptance will also be contingent upon approval by the Department/Faculty of the Consortium university.

**Prior acceptance procedure for a placement offered**

The nomination does not guarantee the awarding of grants, as it is contingent upon available funding and the pre-selection and final admission of the staff, as published in the Resolution.

- Even if the candidate is nominated by their Home University, when the placement for which they are applying has received multiple applications, the coordinator of the home institution will determine which of the received applications is the most suitable for the intended activity.

**III. APPLICATION PROCEDURE**

The participant must be nominated by the Home University and selected by the Consortium university that will process his/her admission. The entire pre-selection process (call) at the home university will adhere to criteria of transparency and equal opportunities for all applicants. Specific pre-selection criteria will be developed and published on the websites and social media platforms of each home university based on this call. These criteria will be disseminated, if possible, through local and regional media channels and the link of its publication must be sent to the host institution.

**Procedure for nominating participants from partner universities to Consortium members (UMA, UCA, UHU)**

The procedure and documents for nominating participants at UMA, UCA and UHU are stated in **Annex II**.

The partner universities may nominate a maximum number of staff as stipulated in their Interinstitutional Agreement (IIA). However, the nomination of candidates does not guarantee the awarding of a scholarship. The granting of scholarships is contingent upon meeting the specified requirements, providing supporting documents, availability of funding, and the pre-selection and final admission of the staff.

Additionally, partner universities have the option to add a reserve list of staff in the "Letter of Nomination and Absence of Conflict of Interest" document. If all places are not filled, Consortium members will proceed to evaluate the reserve list of each university.

**Inclusion**

Candidates from disadvantaged backgrounds, with special needs, or disabilities are encouraged to apply. They may receive additional funding according to EU regulations to cover costs directly related to their participation in the mobility.

**IV. DURATION AND FINANCIAL AID**

**a) Period of Placements**

The mobility period for staff members is 5 days, with 2 extra days allocated for standard travel or 4 extra days for Sustainable means travel

Staff mobility can be for teaching, training, or both.

- During mobility for teaching (STA), staff should deliver at least 8 teaching hours per week.
- During mobility for training (STT), staff should receive training, engaging in professional development activities such as training events (excluding conferences), job shadowing, or observation periods at the receiving institution.
- Mobility can also be for both teaching and training. In this case, the minimum number of hours of teaching is 4 hours per week.

**b) Finance**

The mobility grant for staff consists of a travel allowance and payment for seven days according to the flat rates determined by the Erasmus+ Programme.

It's important to note that the grant is intended to cover a portion of the mobility costs, not the entire amount.

Selected participants are responsible for covering their own expenses when arranging their stay, such as visa fees, insurance, flights, and accommodation, as the mobility grant will only be disbursed once the stay commences.

It's highly recommended to make bookings (flights, accommodation, etc.) with conditions that allow for reimbursement in case of travel cancellation.

The funds for mobility grants in this Call are provided by the European Commission and managed by the Spanish Service for the Internationalization of Education (SEPIE).

**The financial aid includes:**

- Individual support for staff: The amount is established according to the country of origin and the actual number of days of placement at the UMA. In Spain, the amount is 160 euros per day. The eligible period is 5 days of stay + 2 days of travel (1 day departure and 1 day return). In total, there are 7 eligible days, for an amount of 1,120 euros.

Sustainable Means of Transport: additional support of 50€

- Additional support for travel expenses: this amount is calculated based on the following distance bands:

The amount will be calculated based on the distance between the city of the home university and UMA. You can use the EACEA online tool at the following link: [http://ec.europa.eu/programmes/erasmus-plus/tools/distance\\_en.htm](http://ec.europa.eu/programmes/erasmus-plus/tools/distance_en.htm)

\* Sustainable means of transport (green travel) is defined as the travel that uses low-emissions means of transport for the main part of the travel, such as bus, train or car-pooling.

Grants will be disbursed to the beneficiaries by each member of the Consortium (UMA, UCA, UHU), in accordance with the actual arrival and departure dates and their academic calendars.

**"Zero grant"**

If the number of applications exceeds the number of grant places assigned to each country, or if there are no places available for the requested mobility, participants who have not been awarded a grant can apply for a "Zero Grant".

Participants with a "Zero Grant" will have the same rights and obligations as participants with a full grant but will not receive Erasmus+ funding (neither individual support nor travel support).
